

Raise & Rise Conference 2026

A strategic collaboration between The Wealthy Funds and Founders Conventions, creating India's premier capital-raising forum for ambitious founders and business leaders

 6TH MARCH 2026

 9:00 AM ONWARDS

FREE ENTRY

Why This Conference Matters

Strategic Capital Access

Connect with funding experts, investors, and financial professionals who understand the unique challenges of building and scaling businesses in today's dynamic market environment.

Curated Ecosystem

Join a carefully selected community of startup founders, co-founders, business leaders, consultants, and investment professionals, all focused on sustainable growth and strategic fundraising.

Actionable Intelligence

Move beyond theory with practical frameworks for fundraising readiness, capital structuring, and scaling with financial intelligence that you can implement immediately after the conference.

Our Partner Ecosystem

This collaboration brings together established platforms with proven track records in empowering entrepreneurs and facilitating business growth across India and international markets.

The Wealthy Funds

A structured funding advisory and capital facilitation platform supporting businesses through debt funding, private equity, angel investments, government grants, and bridge capital solutions. Bringing domain expertise, investor networks, and execution capability to enable efficient fundraising.

Founders Conventions

A premier platform curating high-impact business events including RavenSales Launch and Great Founders Conference. With a growing footprint across India and Dubai, Founders Conventions has built a strong community focused on entrepreneurship, leadership, and ecosystem development.

Associate Partner

RDMR UAE - Expanding regional reach and international connections

Associate Partner

Advocrats Creations India - Strengthening the Indian entrepreneurship ecosystem

What You'll Experience

Raise & Rise Conference offers a comprehensive programme designed to accelerate your fundraising journey and connect you with the right financial partners for sustainable growth.

1

Expert-Led Sessions

High-value presentations covering funding avenues including debt, equity, grants, and angel investments, delivered by industry leaders and financial professionals.

2

Investor Matchmaking

Curated networking sessions and direct investor-founder interactions designed to create meaningful connections and explore tailored funding opportunities.

3

Interactive Workshops

Hands-on sessions focused on fundraising readiness, capital structuring strategies, and scaling with financial intelligence to help you implement learnings immediately.

4

Direct Consultations

On-ground engagement with The Wealthy Funds team to explore your specific funding requirements and discover fast, strategic, and scalable funding pathways.

Who Should Attend

Startup Founders

Early-stage and growth-stage entrepreneurs seeking capital to scale their ventures and expand market presence.

Business Leaders

CEOs, managing directors, and business owners looking for strategic funding options beyond traditional bank loans.

Advisors & Consultants

Business advisors and consultants supporting clients with fundraising strategies and capital structuring decisions.

Financial Professionals

Investment bankers, fund managers, and financial experts interested in connecting with promising ventures and expanding their networks.

Join Us on 6th March 2026

Your Path to Strategic Capital

The Raise & Rise Conference represents more than just another business event. It's a carefully curated ecosystem where founders meet the financial partners, industry leaders, and strategic advisors who can accelerate their growth journey.

Walk away with actionable funding strategies, meaningful investor connections, and a clear roadmap to raise funds efficiently whilst building sustainable, scalable businesses. This is where you **Raise funds and Rise as a business** — financially, strategically, and intellectually.

"Meet industry leaders, investors, and founders in one ecosystem. Discover fast, strategic, and scalable funding pathways tailored to your business needs."
